Sick Bros MX (Cohocton MX) new track was created in 2011, the new track features everything a motocross track could offer, from large uphill/ downhill combinations, large uphill & downhill jumps, off camber turns and more. The track is situated on 47 acres in the hills of western NY 1 hr. south of Rochester, NY. Call Dave Sick at 585-335-7992 for more details.

We are trying something new at Cohocton MX. There is an open practice all morning followed by V-PVMX Racing starting at 1:30PM. AHRMA Sign-up and practice from 11AM till 1PM. This allows more sleep, travel and practice time.

We want to thank Don Coluzzi from Upstate NY Vintage MX for getting us connected with Dave Sick at Cohocton MX.

Please make every effort to attend Cohocton MX on Saturday, Sept 26; it is very important to our future!

The season's final XC & VMX event is at Logan's on October 10 & 11. This event is a joint event with the Husky Gathering, a vintage Husqvarna motorcycle ride.

NEWS FLASH. . .

Fellow member Renn Shepherd is planning to host a Northeast Fall Vintage Fun Ride, Swap Meet and BBQ at Lamoka MX. You are invited to ride the XC course and the improved, longer MX track without the kicker jumps.

As we enjoy the BBQ, Merritt, Ivan and I would like to hear your ideas to improve the series for 2016.

Let's all celebrate the end of the 2015 Series and plan for the 2016 Series at our first AHRMA Northeast Fall Ride, Swap Meet and BBQ at LAMOKA MX, Bradford NY overlooking scenic Lake Lamoka! Bring the family and enjoy some of the best fall foliage and BBQ. Is there a Myron Mixon and BBQ Pit Master in our group?

The Fall Ride, Swap Meet and BBQ are scheduled for the weekend of October 17 & 18. Please email Merritt and Ed (emails listed at the end of the article) with your choice of what day of the weekend is best (Saturday or Sunday) for this event.

AHRMA Northeast and Renn would appreciate a \$10-20 donation to cover the cost of the food. This is a BYOB event.

Lamoka MX is on Fish Hill Road in Bradford, New York. The Fish Hill Road is a dead end road, roughly two miles long and the track entrance is one and one half miles up it.
